Volume XIII

As we, the Calumet staff, show the way, follow the path we have set and trace with us the events of the past year which are now memories. We have tried to point out the highlights of the year and also show the progress our school has made. It is my earnest desire that you will enjoy the 1964 Calumet.

Dedication

In a speech to a group of teen-agers last June, the late President John F. Kennedy made the remark that "everything good is right here in this room." This small statement was an expression of the faith which he had in our generation as responsible citizens of today and as future leaders of America. It is to his memory that we dedicate this yearbook. Let us also dedicate ourselves to live up to the mark he set for us and strive, in every way possible, to achieve the peace for which he gave his life.

Board and P.T.A.

School board poses before busy session begins.

The School Board of the Southern Joint School District meets the third Thursday evening of every month. These dedicated men function to keep the system running smoothly.

District Discussion meetings of the P.T.A. are held the third Monday of every month. The duty of the Parent-Teacher's Association is to provide a pleasant relationship between the teachers of our pupils and their parents.

P.T.A. sponsors Back-To-School Night.
